-I calculate lesson fees based on 30 lessons (you actually get 31 lessons however I reserve 1 for my own emergency)
 30 lessons (25 private plus 6 masterclasses) x \$37.50 per lesson / divided by 9 months = \$125/month

-You pay the same fee each month regardless of the number of lessons per month

- | | |
|---|--|
| 1 lesson, 30 min. is \$125/mo | 3 lessons or 1.5 hours discount is \$335/mo |
| 1.5 lessons or 45 min. discount is \$185/mo | 3.5 lessons or 1.75 hours discount is \$395/mo |
| 2 lessons or 1 hour discount is \$235/mo | 4 lessons or 2 hours discount is \$425/mo |

-There are 36 wonderful opportunities for music instruction and development, made up of 25 private lessons, 6 group masterclass lessons, and 5 performance dates. I do not give credit for missed lessons. You may schedule make-up lessons anytime; if the masterclass dates do not coincide with your schedule you may schedule a make-up lesson during the week of masterclass —generally the last week of the month. If you miss several lessons in a row please talk with me.
